

Advanced Flower of Life Workshop

9 AM—6 PM

"Maureen has a very special way of making complex information very understandable. Anyone who takes this course from Maureen is lucky indeed."

Highlights

The *Advanced FOL Workshop* contains powerful tools that Maureen has developed which will support your shift in consciousness.

Your practice and experiences are directly related.

Advanced FOL was developed by Maureen from over 10 years experience leading thousands of students in the Mer*Ka*Ba Practice.

You will move through additional heart opening practices, advanced programming techniques, learn about the dimensions, dolphins and Hathors.

You will learn specific techniques to open your heart, using sound and intention; and to clear fear by focusing it, and re-directing it via a powerful integration technique based on the quantum field.

Prerequisite
Completion of the Flower of Life Workshop with a certified facilitator.
