————— *Set of Three*  
*Balancing Sprays*

Earth, Wind and Flowers presents a new set of Balancing Sprays\* which contain very refined, vibrational support from natural flower essences and aromatherapy essential oils.

These work synergistically to uplift the mood from sluggish or low energy states to a higher, harmonious state of being. Use for depression or overall enhancement to your day.

Share with friends and family these natural remedies are a magical gift from nature!!!!

Taken together in this order is recommended for optimal results.

Mist 4-6 squirts over the auric field and allow to settle.  
Use up to 4 times per day.
